

Team Update

October 2022

provided to:

Austin & MAC

Certification:

Ambassador Dog (AMB)

Resides in:

Wilmington, North Carolina

"Since our last update, MAC and I have moved on from working in our full time position at paws4people to pursue higher education. MAC has been my rock during my time at college and I do not know what I would do without him. MAC and I are still a working Team and are still available for visits to McAfee as Ambassadors for paws4people. I am so thankful for the support of McAfee and paws4people for transforming my life."
